Charity No. 1068892

The Worth Waynflete Foundation was established in 1986 by Michael Worth, who has lived and farmed in Lincolnshire for many years. The charity was established to help volunteer led groups and charities, particularly in South Lincolnshire.

Who we like to support

- Lincolnshire based charities and volunteer led organisations.
- National charities and organisations that benefit and help Lincolnshire residents.
- Individual projects and initiatives.
- Rural projects promoting the enhancement of the Lincolnshire landscape and ecology, including wildlife and marine life.
- Preservation of Heritage Assets.
- Small local school initiatives, including IT equipment.

What kind of activities do we like to support

- Enhancement of skills and qualifications of existing staff.
- Training and proficiency of new volunteers.
- Core day to day running costs and special needs.
- Start-up initiatives with additional staged funding programmes.
- Landscape and planning issues in particular wind turbines and affordable housing.
